Tom Rochtus : Case Interview Success, 3rd Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Case Interview Success, 3rd Edition:

0 of 1 people found the following review helpful. Very superficialBy jckvallI was expecting much more from this book, as the author has an inside perspective of a Bainie. When compared to Cheng's book, this one is miles behind - while the frameworks are essentially the same, this book relies too much on them and less on a hypothesis driven process.It is still way better than Case in Point, but not enough to prepare for MBB interviews.2 of 3 people found the

following review helpful. useful and well structuredBy Xavier de VillepinI liked the concept of only studying a few frameworks to cover about any type of business case. The most interesting chapter to me was definitely chapter two on the case interview process !2 of 4 people found the following review helpful. Couldn't put it downBy Kris ReidI borrowed Case In Point from a friend, got Case Interview Success as well as Case Interview Secrets; these three resources are more than enough I find, along with the information you can find on the websites of the consultancies you'd be applying too

Case Interview Success is a must-read for anyone applying for a consulting position. The book takes you inside a typical consulting case interview by exploring in detail the entire case interview process, and will leverage you to crack the most complex business cases.The main features of this book are:A detailed discussion of the entire case interview processKey business case frameworks with practice cases and solutionsKey strategies to crack presentation cases, guesstimates and brainteasersAn overview of key business concepts and consulting termsTom Rochtus works as a strategy consultant at Bain Company, one of the world's most prestigious management consulting firms.
