**Caroline Repchuk : Catopia** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Catopia:

0 of 0 people found the following review helpful. This book is large and beautiful, and makes a great coffee table book that ...By Midwest C. This book is large and beautiful, and makes a great coffee table book that you can pick up, flip to a random page and read for a minute, then put back down for later. I bought this for my wife as a surprise gift. She adores it, and the cat lover in your life will too. 3 of 3 people found the following review helpful. PurrfectBy Customer I recommend this book for any cat lover. I bought it as a gift for a thirty-something year old and she was thrilled with it. 7 of 7 people found the following review helpful. Fairy Dust Not IncludedBy Gretchen A. Grosskopf This book was fascinating! The writing was interesting and up to date. It had many surprises as well as tidbits of history that I never knew about before. It even shows you the plants that are poisonous to you feline. I have ordered this book as a gift for people. Put it on your coffee table and watch your company interact with it. It was so well done as far as illustration and research on the subject goes. Little envelopes held cute little things that you could pull out, kind of like a Pop-up book, but BETTER! I hope the author writes more of these books with different subjects like the dog, horses or chickens!

A treasure trove of information, Catopia covers cats from all angles; tracing their ancestry, exploring their physiology, unraveling the folklore and superstitions that surround them, and celebrating famous cats from around the world.

Packed with ingenious novelties, fascinating facts, tips and anecdotes all accompanied by beautiful, detailed illustrations. Novelties include book plates, booklets, flaps, photo frame, and a zodiac wheel.

A beautifully illustrated treasure trove of feline minutia. (School Library Journal)About the AuthorCaroline Repchuk studied fine arts at Leeds University before joining Templar Publishing as an editor. She has written a number of books for children, including *The Snow Tree*, *Ballerina*, and *The Race*. She lives in England. Anne Mortimer is the author and illustrator of *Bunny's Easter Egg* and *Pumpkin Cat*. She has illustrated many other children's books, including *Santa's Snow Cat* by Sue Stainton, *A Pussycat's Christmas* by Margaret Wise Brown, and *The Owl and the Pussycat* by Edward Lear. She lives in southwest England.
