Arthur Cotterell : Celtic Mythology: The Myths and Legends of the Celtic World (The Mythology Library)
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Celtic Mythology: The Myths and Legends of the Celtic World (The Mythology Library):

0 of 0 people found the following review helpful. I love the clear way its written By E.R. I love the clear way its written, and it has so much material for story writing! You should definitely buy it if you're interested in Celtic mythology at all. I found it at the library, and there was no way i could just read it and be done. So for all you writers and readers out there, don't hesitate!

The fairytales, legends and characters of the Celtic World are brought to life in this fascinating study.
