**From Brand: Hodder Stoughton : Chambers Dictionary of Science and Technology** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Chambers Dictionary of Science and Technology:

With its unrivalled coverage of scientific and technical terms, Chambers Dictionary of Science and Technology has

long been an essential reference tool for students, professionals, and general readers. This newly revised and updated edition contains more than 50,000 clear and accessible entries on an impressively wide range of subjects.
