From Brand: Chambers : Chambers Dictionary of World History before purchasing it in order to gage whether or not it would be worth my time, and all praised Chambers Dictionary of World History:

2 of 2 people found the following review helpful. A very good reference bookBy Eric V. ColemanThis book is the only book of its kind that I have found that is concise and informative about 'world history'. Unfortunately, I have not

found any book like it published in the US. With world events happen daily, this book can give a person a background history of 'why' the events are happening . . . 2 of 2 people found the following review helpful. a useful tool for a variety of researchersBy AOBconcise, to the point, very easy to use2 of 3 people found the following review helpful. Chambers Dictionary of World HistoryBy J. LindnerThis book is a very thorough desktop reference of world history. The entries cover many different topics and many different periods of history. I wouldn't say this is an all-inclusive work, but it does a very good job of presenting brief introductions to the subjects it includes. The subject include not only people and events, but also concepts and ideas.This book is helpful to anyone who needs a source to look up something without first going to the Internet. It is a one volume collection and is ideal for students of all ages.

Revised and updated to reflect recent world events, Chambers Dictionary of World History features more than 7,500 entries in a straightforward A-to-Z format. This impressive reference covers the key figures and events in world history, with an in-depth focus on the period from A.D. 1000 to 2000. From the Norman Conquest to the Normandy campaign, its comprehensive coverage includes wars, treaties, plots, and political movements as well as nations of the world, international organizations, and biographies of major figures.Entries include a clear and helpful system of cross-references that makes the book ideal for browsing and highlights connections among individuals, ideas, and events. More than 60 sidebars cover significant themes of ancient and modern history, and specially commissioned historical and thematic maps supplement the dictionary entries.For history buffs, classroom use, or any home reference collection, this comprehensive look at world history is an essential resource.
