From Chambers : Chambers Dictionary before purchasing it in order to gage whether or not it would be worth my time, and all praised Chambers Dictionary:

Completely revised and updated to reflect current usage, the Chambers Dictionary, Ninth Edition is packed with distinctive features, including a new page design that makes it easier than ever to find the right word. With unrivaled

coverage of English vocabulary, ranging from rare and archaic words to the latest slang and technical terms, and clear, accurate definitions, this latest edition of the Chambers Dictionary will find its place on every reference shelf.
