This thesaurus offers numerous synonyms and antonyms for words and phrases, giving the user many alternative ways to express themselves, with illustrative examples to guide the user to the group of synonyms they want. Labels show

the register of words, so that each can be used appropriately and notes are supplied at words that are often confused in their spelling or usage, such as allude and elude, imply and infer, helping the reader to use the right word with confidence. Key features include: an easy-to-use A-Z layout; over 300 special panel entries grouping related terms together; and a colour study supplement offers advice on using English creatively and getting the most from a thesaurus.
