Perfect tool for an Interview By JGI've been in the aviation industry for the past 16 years flying most of my time in airliners. I can say without a doubt this is an excellent tool to prepare for your interview. God Bless!!! 0 of 5 people found the following review helpful. delivery By Barocchi Gian Luca all the items i ordered were ok, but what was terrible (but it is not responsibility) is that my package was left outside, in the middle of the street, under a heavy rain even if i was not home. But i was lucky twice, because my neighbour found my items outside and also it was very well packaged so there was no damage... you should contact your Italian delivery company.
