3 of 3 people found the following review helpful. Amazing insights into the world of super chefs. By The Rat Amazing insights in to what makes the worlds best chefs tick, If you're interested in the subject you wont be disappointed.

All chefs love and cherish cookbooks, and increasingly, cookbooks have become treasured manuals of the trade as well as beautiful art objects. The Chefs Library is the worlds first attempt to bring together in a single volume a comprehensive collection of cookbooks that are highly rated and actually used by more than 70 renowned chefs around the world. Readers will discover the books that have galvanized acclaimed and brilliant culinary talents such as Daniel Humm, Jamie Oliver, Sean Brock, Michael Anthony, Tom Kerridge, Suzanne Goin, Tom Colicchio, and many others. Also featured are influential restaurant cookbooks, essential books on global cuisines and specialist culinary subjects, and historic favorites that have stood the test of time. Part reference, part culinary exploration, this book is a

must-have for any cookbook collector or passionate foodie.
