Brandon Royal : Chili Hot GMAT Verbal Review before purchasing it in order to gauge whether or not it would be worth my time, and all praised Chili Hot GMAT Verbal Review:

CHILI HOT GMAT: VERBAL REVIEW will help readers develop the skills and mindset needed to score high on the verbal section of the GMAT exam. Each hand-selected problem comes with a Classification, Snapshot, and Chili Rating. Classification serves to identify each problem according to category or sub-category. Snapshot highlights why that particular problem was chosen, including the underlying problem-solving principle or strategic approach. Chili Rating helps candidates gauge the estimated difficulty level of a given problem. A single chili indicates that the estimated difficulty level of a given problem is "mild" (500 to 590 difficulty level), two chilies spell "hot" (600 to 690

difficulty level), and three chilies signal "very hot" (700 or above difficulty level). By studying problems of varying difficulty, candidates will learn to maintain discipline on easy but tricky questions and also to exercise flexibility when deciding on multiple approaches and time-saving shortcuts for use in tackling harder, more involved problems. Note to readers: This book contains the excerpted verbal sections from the parent title *Chili Hot GMAT: 200 All-Star Problems to Get You a High Score on Your GMAT Exam*.

"Finally, a book that helps you master those learning skills that are critical to success on the GMAT." --Linda B. Meehan Assistant Dean Executive Director of Admissions, Columbia Business School "I used *Chili Hot GMAT* as my main source of study, supplementing it with practice from *The Official Guide for GMAT*. The *Official Guide* has lots of problems to practice on, but *Chili Hot GMAT* is superb for helping understand conceptually how the problems work. I highly recommend this manual as your first line of defense. It helped me achieve a 700-plus GMAT score with only a month's practice, despite English not being my first language." --Sam Mottaghi, former consultant, Accenture; Cambridge Judge Business School graduate
From the Publisher Whether you're a candidate already enrolled in a test-prep course or are undertaking self-study, this book will serve as a rigorous skill-building study guide to help you conquer the verbal section of the GMAT exam.
About the Author A graduate of the University of Chicago's Booth School of Business and certified public accountant, Brandon first developed an expertise in GMAT test-taking and MBA admissions strategies while working overseas for the Hong Kong branch of the world's largest test-prep organization. This book represents his distilled experience gained from classroom teaching on two continents and individual tutor sessions that have helped hundreds of applicants beat the GMAT and achieve acceptance at the world's leading business schools.
