who had vocabulary gaps that kept her from progressing to higher reading levels and was otherwise impossible to root out which key words were missing. Glad to finally find something with simplified characters. The only caveat was that the audio CDs do not work on any of our CD players. But the cards alone are valuable enough to make the purchase worth it. 0 of 0 people found the following review helpful. Excellent simplified Chinese flash cards! By sinbad Exactly what I was looking for - sturdy, easy to page through flash cards. The included ring is a little bit awkward, in that the jointed section is too big for the hole in the cards. But, oh well. The cards themselves are excellent. Each character includes "brush strokes", traditional character version (if applicable), and example sentences. 0 of 0 people found the following review helpful. that is wonderful. One of the best purchases for learning. By BI It has 349 cards, each card has pinyin, character, writing order, radical, idioms of this character. A little card has so much content, that is wonderful. One of the best purchases for learning.
