Mike Ellis : Chinese Slanguage: A Fun Visual Guide to Mandarin Terms and Phrases (English and Chinese Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Chinese Slanguage: A Fun Visual Guide to Mandarin Terms and Phrases (English and Chinese Edition):

6 of 6 people found the following review helpful. Novelty BookBy Alison TomichOkay, so it was silly of me to bring this as my only translation book through China. It's more of a coffee table book than a functioning book. What I really liked about it was that I easily remembered the words I did learn and pronounced things fairly correct because of the book. The downside was it didn't have many words that would have really come in handy (like train station). If this book was expanded it would have been a great book to have on hand. Oh, and the Chinese people really thought it was funny too. :)0 of 0 people found the following review helpful. Fun and easy to learnBy Andrea ThomasI'm having so much fun with this book. I work in a hospital, and this book has come in handy for simple thing. Now I'm looking forward to the next chapter of learning Chinese Slanguage.0 of 0 people found the following review helpful. Funny book, albeit maybe not the most accurateBy Jeff RainesFunny book, albeit maybe not the most accurate. I think the pronunciations for some words are fairly off, but it may be a good tool for giving reference for memorization. Fun to have around!

Its simple: follow the illustrated prompts and read the English words out loud, and soon youll be speaking Chinese. This handy, easy-to-read language guide is easy to carry and gives the basic phrases you need while traveling, asking directions, or ordering food at a restaurant. It also includes phrases for medical or legal emergencies, as well as terminology for hotels, airports, and so on. But most of all, its just plain fun! Mike Ellis is a web designer and runs the popular website www.slanguage.com. He lives with his family in Philadelphia.
