Bryna J Fireside : Choices for the High School Graduate: A Survival Guide for the Information Age before purchasing it in order to gage whether or not it would be worth my time, and all praised Choices for the High School Graduate: A Survival Guide for the Information Age:

1 of 1 people found the following review helpful. Great book for graduatesBy sashabelleI really enjoyed this work and found it a great resource for my grandson who graduated from high school and isn't sure of his direction.

This new career guide presents students with a wide range of options available to them during and after high school. It also provides new interviews and updated information, including an all-new chapter devoted to the Job Corps.

.."[a] highly recommended and vastly beneficial guide." ..,"an excellent choice for teens still searching for their road after high school...Sensitive, direct, and well researched, this will be an invaluable resource for teens of many interests and backgrounds."
