Samuel I. Hayakawa : Choose the right word: A modern guide to synonyms before purchasing it in order to gage whether or not it would be worth my time, and all praised Choose the right word: A modern guide to synonyms:

2 of 2 people found the following review helpful. Choose the Right WordBy RayeA must have! This book and the first copy are sitting next to my Oxford dictionary. These books have helped me tremendously! It is something all children should have. It will help them improve in english, writing, and spelling. Now a days children have so much they need to learn at such a young age. I am the type to get them help in order for things not to be so stressful. And having this book and a couple others will certainly help in various areas.
