Daniel T. Sillence : Cigar Guide (Quick Reference Guide) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cigar Guide (Quick Reference Guide):

0 of 0 people found the following review helpful. Keep it near your humidor catalogs By Daddy-O! Fundamental information but I've occasionally turned to it to clarify some terminology. "Cigars" is a big field with many terms. Some info regarding cutters is opinionated but still helpful. Inexpensive made to last, so a good deal in that respect. Doesn't hurt to pay a couple of bucks once to learn about something that you're likely paying more than a couple of bucks for repeatedly, no? 2 of 2 people found the following review helpful. I worked at a store where we had a cigar ... By I MI worked at a store where we had a cigar room and i am a non smoker so this helped me sell the product with a little more knowledge. 0 of 0 people found the following review helpful. I brought this for my husband and he has learned ... By Ms. Allan I brought this for my husband and he has learned more about the cigars. This is a must have for all the newbies that are just now having an interest in cigars.

Sound like a connoisseur and get the most out of your cigars. For beginners and regular cigar smokers alike.
