**Steven Curtis Chapman : Cinderella: The Love of a Daddy and His Princess** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cinderella: The Love of a Daddy and His Princess:

10 of 10 people found the following review helpful. Lovely Gift for Fathers By J. Kennel This is a beautiful gift for fathers with daughters of any age. The CD included in the back of the book is a nice bonus even if you've never heard it before. It is also a nice gift because some books for fathers are lengthy and will not be read. This is short, sweet, poignant, and is a gentle reminder that children grow up and leave the nest so quickly. 81 of 85 people found the following review helpful. This Will Bring Tears To Your Eyes By D. Ward I was driving down the road a few days ago and heard the song "Cinderella" by Steven Curtis Chapman for the first time. I have been a fan of Steven Curtis Chapman for a long time. He has written and recorded several songs that grasp us and remind us of the importance of love and family. "I Will Be Here" has become one of the best wedding songs of all time. I moved from Florida to Tennessee a few months ago and my 11 year old daughter lives with her mother in Louisiana. Hearing this song reminded me of how much I miss my daughter and how much I have missed in her life by living apart from her. Unfortunately this is a result of marital divorce. Divorce changes everything and takes your life down paths that are usually far from ideal. The song "Cinderella" reminds us of the love our little girls need from their fathers and how they seek love, attention, and affirmation from us. I couldn't listen to it without weeping in my car. It is a heart gripping song with an important message. A message that tells us to love and admire our little ones because they will grow up and be gone before you know it. Time passes faster than we can ever imagine. This little book captures the story in the

song and is filled with great pictures (including many pictures of Steven Curtis Chapman and family). Even better is the fact that the song "Cinderella" is included on cd in a plastic pouch on the inside back cover for you to listen to whenever you desire. This is a wonderful book to buy and either have as a keepsake or give as a gift for Father's Day as a reminder to love our little girls as much as we can before they are grown and leave home. 0 of 0 people found the following review helpful. Guaranteed to bring a tear to your eye! By Frankly BT Amazing book. Great story, Really makes you take a step back and evaluate what's important. I discovered this book (along with the song) after participating in a father/daughter dance in a dance recital. Someone at the studio had this crazy notion to invite the fathers of the girls in a particular dance class to learn a simple routine and participate in their Spring recital. Even with all the jokes about wearing tu-tu's, it was a priceless moment that will be cherished forever. The song that dance was performed to was Cinderella, the song that is on the CD included with this book. What a perfect fit! Purchased multiple copies for friends in addition to the one for our daughter.

As the clock strikes midnight, remember . . . Each moment we have to spend with our children is a blessing from above. But as we cherish this chapter of life, we realize the pages of time will keep turning. Alternating between the voices of a father and his daughter, Cinderella celebrates the blessings of childhood, family, love and life. You will be enchanted by this modern fairytale that teaches us how to hand our own Cinderella her glass slippers and let her go.

About the Author Steven Curtis Chapman is one of America's best-known, most awarded contemporary Christian performing artists. Having sold 6 million records and with 34 number-one singles to his credit, he is the recipient of four Grammy Awards, 44 Dove Awards, and an array of songwriting honors.
