Good and interesting facts. Clark explains things in a way everyone can understand.0 of 0 people found the following review helpful. perfect gift for people starting out inBy RL Smitha must have in every home.perfect gift for people starting out in life6 of 6 people found the following review helpful. An excellent consumer guideBy A CustomerThis book should be the most dog-eared volume in any household where watching finances is a priority. Howard and Meltzer explain the ins and outs of consumer issues in an easy-to-understand and thorough manner. As co-author of a consumer book (Debt Free: Your Guide to Personal Bankruptcy Without Shame), I recommend this guide. John M. Caher

A thoroughly revised collection of practical advice on an array of consumer issues from buying used cars to proper

investing to using the Internet wisely.
