Whether he's shopping appliances, prescriptions, or cars, Howard gives you the lowdown on the most low-down price. With breathless energy, he tells of little-known ways to shave a dollar, or a hundred, from everyday purchases. He has no qualms about happily describing how to create the cut-rate wedding or funeral, to save big when you're having a medical emergency, and to save money on food and still have fun. Great instruction for the budget-challenged. D.J.B. AudioFile 2003, Portland, Maine-- Copyright AudioFile, Portland, Maine
