Jerry Bobrow, William A. Covino, Peter Z. Orton, Harold Nathan, David A. Kay, Dale Johnson :
CliffsTestPrep GMAT CAT before purchasing it in order to gauge whether or not it would be worth my time, and all praised CliffsTestPrep GMAT CAT:

5 of 6 people found the following review helpful. Howard's ReviewBy Howard ChangIf you have just one week to study, and plan to spend less than \$30. This book with ETS Official Guide is what I recommend you to get. Cliff

Notes gives a brief review, give you one diagnostic test. If you have \$100 budget and months to study for the test, this book would like be as helpful as other books. However, If you only have one week and just want to have a brief prep, this is a must have. 4 of 5 people found the following review helpful. This book deserves a better sales ranking position! By A Customer Maybe it's not so fashionable as others like Kaplan, Princeton, Arco, etc. but this book is worth every dollar you invest on it. It has a thorough approach to GMAT subjects and it also has a lot of good questions -separeted by level of difficulty. It doesn't have a CD-Rom but that's why you should buy some more book(s) if you are intending to work even harder than Cliffs will make you work. If you want to buy just 2 books I would tell you to buy the Official Guide and this one - and it's enough to get the GMAT well done! 2 of 3 people found the following review helpful. This book deserves a better sales ranking position! By A Customer It's worthy every cent you invest on it. Despite the fact that it's not as fashionable as some others like Kaplan, Princeton, etc. Cliffs does a very serious job, covering all GMAT subjects and providing many good questions with explanations.

"Cliffs GMAT CAT Preparation Guide" can help you score higher on the new test. You'll become familiar with the GMAT CAT, take the test with maximum efficiency, and make the kind of score that can give you a wide choice of business graduate schools. This preparation guide is thorough, concise, insightful, and easy to understand.
