Collins COBUILD : COBUILD Learner's Illustrated Dictionary of American English + Mobile App (Collins COBUILD Dictionaries of English) before purchasing it in order to gage whether or not it would be worth my time, and all praised COBUILD Learner's Illustrated Dictionary of American English + Mobile App (Collins COBUILD Dictionaries of English):

0 of 0 people found the following review helpful. Five StarsBy Tashiria UnderwoodEXCELLENT CONDITION!!!!0 of 0 people found the following review helpful. Bad dictionaryBy Jose Isaac RamirezThis is not a good dictionary. First, it's very heavy for the size of the book, I have other books bigger and lighter. Second, the concepts of every word are sometimes ambiguous. The dictionary doesn't have too much words. It's expensive, you can buy another better

dictionary for less like The Oxford Dictionary or other.0 of 0 people found the following review helpful. Five StarsBy Joel RodriguezI use it daily... luv it

The new Collins COBUILD Learner's Dictionary of American English is a corpus-based dictionary for low to high-intermediate learners of English, and includes content-area and academic vocabulary. Also included are a Brief Speaker's Handbook, Brief Writer's Handbook, and Brief Grammar, making this dictionary the perfect, all-in-one language tool.

About the AuthorThrough a collaborative initiative, Collins COBUILD and Heinle are co-publishing a dynamic new line of learner's dictionaries offering unparalleled pedagogy and learners' resources. The first Collins COBUILD dictionary was published in 1987, thanks in part to John Sinclair, one of the very first modern corpus linguists who personally oversaw the creation of the Bank of English. Every COBUILD dictionary is based on the Bank of English, a huge electronic database of both written and spoken language, which today contains over 650 million words.
