Three Stars By goodoneleft Value of knives should be in some type of order. Confusing to locate specific knife 0 of 0 people found the following review helpful. Good for pre-1990's knives By craftygirl1961 Good info, but it does not extend past the late 1990's. If you collect only current Case knives, the information will only allow you to identify some of your knives. Any knives that Case has produced since then are a lot more difficult to identify.

An informational and price guide to the knives of W.R. Case Sons, loaded with full color illustrations of hundreds of

Case knives. Special emphasis on explaining the evolution of Case knives and familiar patterns, particularly from the CASE XX era to the present day.
