### **Peterson's Guides : College for Careers in Business (Peterson's Guide to Colleges for Careers in Business)**

before purchasing it in order to gage whether or not it would be worth my time, and all praised College for Careers in Business (Peterson's Guide to Colleges for Careers in Business):

Students who want to link career interests to the proper college choice can stop searching through a bewildering maze of career and college guides. Each title in this four-volume set puts it all together in one handy reference work -- career guidance, profiles of working professionals, and hundreds of college program listings. Plus, college selection software.
