**Collins UK : Collins Childrens World Map** before purchasing it in order to gage whether or not it would be worth my time, and all praised Collins Childrens World Map:

This highly illustrated pictorial map is designed to take children on a journey of discovery around the countries of the world. The mapping is clear, colorful, and highly informative, and shows countries and capital cities. Stunning illustrations are used to depict themes such as national emblems, customs, food, birds, animals, buildings, and sports to help younger readers gain an understanding of peoples around the world.
