Collins COBUILD : Collins COBUILD Compact English Dictionary before purchasing it in order to gauge whether or not it would be worth my time, and all praised Collins COBUILD Compact English Dictionary:

This new edition of the Collins COBUILD Compact Learner's Dictionary contains all the words and meanings the intermediate learner needs to know to use English naturally and confidently. The Collins COBUILD Compact Learner's Dictionary contains coverage of the most important words and phrases used in today's English. All definitions have been written in full sentences in simple, natural English, with thousands of examples given to illustrate how words are used in context. All examples have been taken from the Bank of English - a vast database of contemporary language, showing how English is written and spoken today. Numerous language boxes also offer

additional information about English grammar and usage, providing learners with extra help with more difficult areas of the English language. With its clear style and corpus-based examples, intermediate learners of English will find the Collins COBUILD Compact Learner's Dictionary indispensable for effective communication in English.
