**HarperCollins Publishers Ltd. : Collins German Unabridged Dictionary, 7th Edition (Harpercollins Unabridged Dictionaries)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Collins German Unabridged Dictionary, 7th Edition (Harpercollins Unabridged Dictionaries):

Get the Best German Dictionary on the Market!By JSThis is the best German dictionary by far that I have used in the past 30 years, it's truly outstanding.New terms in this 5th edition: blog, civil union, first responder, identity theft, mujaheddin, picture messaging, reality TV, and rollover. This book is

thumb-indexed to help you quickly find the word you're looking for. There are two ISBNs, one for the version published in New York (ISBN 0060733810) and one for the version published in the U.K. (ISBN 0-00-712630-1). My book has a different cover than the one pictured (it's red, white, blue and gold), and has 2108 pages, probably because it's the New York edition. It covers the following material in this order: Adjectives and Adverbs General rules for forming the genitive Pronunciation of German, of English, and of phonetic symbols English to German dictionary German to English dictionary German strong verbs and conjugation Numerals Weights and measures Time and date The German spelling reform that became effective in mid-2005 Other HarperCollins German dictionaries you may like: German College Dictionary ISBN 0-06-051532-5 German Concise Dictionary ISBN 0-06-057577-8 Beginner's German Dictionary ISBN 0-06-273753-8 HarperCollins bilingual dictionaries are also available for Spanish, French, Italian, Portuguese, Latin, Irish, Russian and Japanese. See the HarperCollins web site for details.

This is the only up to date German dictionary which is easy to read and beautifully designed. The blue ink used for the words in contrast with the black ink for the text makes this dictionary very easy to use. There is a center section with very useful information, for example how to set up a business letter, an informal note, salutations and greetings, etc. It is a large book, but I am confident after my research that there is nothing better on the market which has modern updates.

The Collins German Unabridged Dictionary is simply the best German dictionary you can buy. Here's why: Hundreds of thousands of entries and translations: The Collins German Unabridged Dictionary contains the most comprehensive coverage of both German and English and the most up-to-date business, political, and technical terms. Most up-to-date: This edition has been extensively revised and updated to cover the recent worldwide German spelling reform. Its vocabulary of today's German, including thousands of new phrases and indicators, is complete and exhaustive. This edition also includes full coverage of key words and full treatment of irregular forms of verbs, nouns, and adjectives to create the most complete and accurate picture of the German language available today. More colloquial usage than any other German dictionary: With its emphasis on current German and English both written and spoken including all areas of modern life and featuring regional usage, this dictionary gives you the edge in understanding and choosing the most appropriate translation. New terms in this edition include: Billigjob low-paid job Biokraftstoff organic fuel Chillento chill out Handyverbot cell phone ban Radikal-fundamentalistisch radical fundamentalist
