Collins Dictionaries : Collins Paperback Thesaurus. before purchasing it in order to gage whether or not it would be worth my time, and all praised Collins Paperback Thesaurus.:

1 of 1 people found the following review helpful. First! By Kenzie Barnett This is an incredibly useful book and one that I use all the time in my daily life when I cannot think of a word, this is where I go to. It has a permanent place in my shelf and I am always reaching for it! Also appreciate the website version when I am away from home. It has saved me many times and given just the word that I needed but couldn't remember.

This reissue of the Collins English Thesaurus is the perfect reference for everyday use. With practical usage notes, and a fantastic supplement, this is the ideal thesaurus to take your language use and knowledge further. Specially tailored to meet the needs of the user at home, school, or in the office, the Collins English Thesaurus has all the words and alternatives the user might need, as well as a huge choice of opposites. This thesaurus is based on the Collins Word Web, Collins' 4-billion-word database of today's English. The clear, accessible layout makes the thesaurus easy to use and ensures users can find the language they need when they need it. This reissue also includes a new supplement.
