HarperCollins Publishers : Collins Portuguese Concise Dictionary 2e (HarperCollins Concise Dictionaries) (English and Portuguese Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Collins Portuguese Concise Dictionary 2e (HarperCollins Concise Dictionaries) (English and Portuguese Edition):

0 of 0 people found the following review helpful. The best Portuguese/English concise dictionary in the market
By Arlete Barbosa
As a Spanish major I was recommended the Spanish version of the Harper Collins dictionary and I am glad I bought it as it has helped me throughout my four years of studying Spanish (especially when writing essays) and now is a great tool for helping students I tutor. I also taught ESL to adult Portuguese speakers and ordered the Portuguese version (Harper Collins version) for students who were interested in having a good bilingual dictionary. I purchased this one as a tool for tutoring students taking Portuguese. The one I received in the mail is not the one shown by the seller on . I got a little upset to be honest, for not getting the version shown on the website. So I called a local bookstore that sells foreign books and was informed that it is out of print because Harper Collins is now only Collins. In other words, it has the same content as the original. So if you really want to learn Portuguese, don't settle for a pocket dictionary because they are too basic. Get this version of the Collins as it not only gives insight into both Portuguese from Portugal and Brazil but it also gives examples of how words are used in various contexts. It is the only bilingual portuguese/english concise dictionary out on the market that has a pretty extensive word selection. Not even the Oxford edition is as complete! Trust me, that was the dictionary they had at the school I taught ESL and did not like it as much.
1 of 1 people found the following review helpful. Best Portuguese / English Dictionary to use in Angola!
By JMDI
I have been working on a rotational assignment to Angola, Africa. Their first language is Portuguese, but it is very different from the Portuguese that is spoken in Brazil and in Portugal. I have bought several dictionaries over the years, but this one is by far the closest to the Portuguese that is spoken in Angola. I have bought many of this brand and will continue to do so while I am working there. Typically I take 12 back with me each time I go back for my rotation and give them to people that I have met as part of my "pay it forward" program. I LOVE This dictionary. Thank you!
2 of 2 people found the following review helpful. Looks like the publishers have addressed the binding problem!
By Tyler Eldredge
I've seen the edition that the picture depicts, and the binding is very flimsy, however the copy that was shipped to me looked a bit different, and had a MUCH more reinforced binding. I'm just so incredibly happy with this book!
The breadth of vocab is just amazing for a learners dictionary, and even better, the words are ALL defined in context! Oh, it's just so wonderful. This is like a linguist's wet dream come true.

From digital TV to voice mail, teleconferencing to teleworking, the Collins Portuguese Concise Dictionary keeps you up to date with contemporary Portuguese. Additionally, this dictionary provides extensive help with constructions and usage. The Collins Portuguese Concise Dictionary includes a guide to spelling differences between European Portuguese and Brazilian Portuguese. Modern and user-friendly, this dictionary gives priority to contemporary language and expressions, providing the information you need to write a paper, read a book, or tell a story.

Text: English, Portuguese
About the Author
HarperCollins Publishers is one of the world's leading English-language publishers with headquarters in New York. The company is part of News America Publishing Group, a division of News Corporation. The house of Mark Twain, the Bronte Sisters, Thackeray, Dickens, John F. Kennedy, Martin Luther King, Jr. and Maurice Sendak, HarperCollins was founded in New York City in 1817 by the brothers James and John Harper. The worldwide book group, which was formed following News Corporation's acquisition of the British publisher William Collins in January 1990, has significant publishing interests in the U.S., Canada, the U.K. and Australia.
