From Brand: French European Pubns : Collins Robert College French to English and English to French Dictionary (Robert et Collins Dictionnaire Compact Plus Francais Anglais et Anglais Francais) (French and English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Collins Robert College French to English and English to French Dictionary (Robert et Collins Dictionnaire Compact Plus Francais Anglais et Anglais Francais) (French and English Edition):

6 of 8 people found the following review helpful. The Best French DictionaryBy A CustomerWhen I went for french immersion in Paris I had a horrible dictionary that was hard to read (not printed well) and the definitions were not constantly accurate and it wouldn't use examples of when to use certain words.On the contrary, this dictionary was the only one my french tutors would accept and this dictionary not only gave examples of when to use the word but it was printed very nicely and they had almost every word I looked up. (I was looking up words like Pre-cambrian Period, so I was quite happy it had most of the words I looked up.)0 of 2 people found the following review helpful. Great transaction!By Jennifer N. GreenProduct was in great condition and was delivered in a timely manner. Hope to do business with you again soon.

Brand new revised and updated 2012 edition. The attractive color layout gives maximum ease of access and enables effective communication for educational, business, and traveling purposes. Usage levels are indicated throughout, with extensive examples to illustrate how words are used in context. A system of style labels identifies whether a word is formal, informal, literary, offensive, dated, or euphemistic. In addition, specific meanings are clearly marked to guide the user to the correct treatment. The text also includes pronunciations of all English words using the International Phonetic Alphabet and a full guide to French pronunciation and phonetics for difficult words.
