This pocket-sized guide to quick and accurate color mixing is an essential reference for artists of all media. Inside are 2,460 printed color mixes from 12 standard artist paints. Each page features the range you can get from any two of these colors. Artists can seek out the color they desire, identify the hues they need to mix and then instantly reproduce

the color on their palette. They'll also find invaluable information about every color including the strength, transparency and handling qualities of the colors used to attain it. The book's compact and convenient design lets artists take it anywhere, capturing the color inspiration as it hits them.
