Five StarsBy Mizan KaziVery good book to learn,,2 of 3 people found the following review helpful. Common Mistakes in EnglishBy Hameed AlgadhiThis book is good and useful for

those who wanted to learn the language and recognize the common mistakes and how to correct it as it is considered an important reference for students when you use certain vocabulary and grammar to sentence structure. I've got a facility of this book as a gift with another book (An A-Z of English Grammar Usage ) special rules of language have purchased from a library in the UK and specifically the city of Cardiff in Wales.

Common Mistakes in English takes more than 550 examples of typical errors (for example, words that are often confused, misused, or used with the wrong preposition) and offers a correct version and explanation that will help students avoid making the same mistakes themselves. An invaluable book for students who are keen to 'get it right' every time. Offers correct versions and explanations for more than 550 typical errors Completely updated to reflect modern English usage.
