0 of 0 people found the following review helpful. Never too late for word learningBy Teri MarkansonI've owned many

Thesauruses in my lifetime and this is a good one. I'd recommend it to anyone in need of one. 1 of 1 people found the following review helpful. Very basic
By A Customer
This is a basic thesaurus. I use it frequently and it usually has the word that I'm looking up, but the main problem is that it doesn't list very many synonyms for each word, most of the time it only lists one synonym, usually an obvious one. If you use a thesaurus a lot, I would suggest getting something more comprehensive, this one is very minimal.

The clear and useful format of the Compact American Thesaurus helps you select the right word right away. Here is an alphabetically arranged thesaurus in which main entries are fully defined with example sentences, synonym groups, and idioms. Synonyms listed at main entries are also entered on their own, where they act as cross-references to all the entries in which they are included. Contains over 17,000 entries, complete, precise definitions for all synonyms, example sentences showing word use in context, idiomatic phrases included in synonym lists, and cross-references to all synonyms.

About the Author
The Editors of the American Heritage Dictionaries are a team of professional lexicographers with advanced degrees in various scholarly fields. The editors familiarize themselves with the vocabulary in specific subject areas, collect materials on new developments and usage, and work with expert consultants to ensure that our publications are accurate and up-to-date.
