**Jos Luis Leyva, Wei Wong : Companion Book for Translators and Interpreters: Medical: 1000+ Key English-Chinese MEDICAL Terms (Chinese Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Companion Book for Translators and Interpreters: Medical: 1000+ Key English-Chinese MEDICAL Terms (Chinese Edition):

0 of 0 people found the following review helpful. Super useful for our interpreters and translatorsBy SpencerI have found this book is very useful for our agency. Our translators and interpreters carry it with them at all times.

While preparing for an interpretation related to medical matters, or if you are translating a medical document, this book can be a helpful resource. Take it with you as a companion! It will be there for you if needed. It will also be at hand during the interpretation, should you need to quickly look up a term. It contains only the most frequently used medical terminology in English and Chinese

About the AuthorFor more than 25 years, Jos Luis Leyva has been a translator and interpreter in various technical areas. His vast experience in bilingualism has allowed him to interpret for Presidents, Latin American and US governors, ambassadors, CEOs, judges, prosecutors, forensic experts and attorneys. He is also the author of other books, including technical terminology books of the Companion Book for Translators and Interpreters series.
