DugasThe information was too specific in nature and not a complete overview as I thoufgt. Perhaps I misunderstood.Walter0 of 0 people found the following review helpful. Five StarsBy TRUONG MAIthank you very much.0 of 0 people found the following review helpful. Not much helpBy B. FergusonI was expecting a lot more information, this book is too generic and vague, besides, who uses a Camcorder anymore?

This book will take the reader through everything he or she needs to know about the upkeep and repair of video camcorders. Begins by examining camcorder troubleshooting procedures, then moves on into more advanced repair

techniques. Includes seven real-life case studies.
