Barbara Bregstein : Complete Spanish Step-by-Step before purchasing it in order to gage whether or not it would be worth my time, and all praised Complete Spanish Step-by-Step:

0 of 0 people found the following review helpful. Good content but poor Kindle versionBy just_a_userThe content of this book is very good. I use the beginner version of this book in the paperback format and learned all the essentials of Spanish grammar in an effective manner. This review is for the Kindle version. So while the content is very well, Kindle format leads to a number of problems. Specifically, when examples are given in the Kindle format, the font sizes are not scaled in the text is very hard to read. So while the majority of the text is readable, the text which is essential to understanding examples is very hard to read even on a large monitor. I wish would make an effort to make Kindle versions not become inferior due to the formatting issue.0 of 0 people found the following review helpful. If I had taken Spanish prior, this would be a good review bookBy TuttThe book was too advanced for me. The vocabulary in the beginning was a lot to learn right away. I'm still working on my Spanish but starting with easier material. The information contained in the book is very good.0 of 0 people found the following review helpful. Not the best book but

not the worst. By Customer This is a good book. Grammar does not easily for everyone. The format could be a little better by making it predictable every chapter. However, it does a fine job in introducing grammar concepts and exercises.

The comprehensive program that will lead you from beginner to Spanish mastery one step at a time Based on the idea that the quickest route to learning Spanish is through a solid grounding in grammar basics, Complete Spanish Step-by-Step combines two bestselling guides in one. Easy Spanish Step-by-Step and Advanced Spanish Step-by-Step. From the very beginning, you are introduced to the most essential structures allowing you to communicate in Spanish almost immediately. Then, through a series of interconnected steps, you will progress in logical way to more common concepts that govern how Spanish is spoken and written. Along the way, you are introduced to hundreds of carefully selected verbs and vocabulary words presented on the basis of how often they are used in everyday Spanish. You will then progress to more advanced topics needed for Spanish proficiency, including the use of the preterit and imperfect tenses, commands, the present and past subjunctive, idioms, and more. Guaranteed to get you quickly up and running with the knowledge and skills you need to communicate proficiently in Spanish, Complete Spanish Step-by-Step features: A unique building-block approach to mastering essential grammar, verbs, and vocabulary Down-to-earth explanations of important rules and concepts More than 300 verbs and hundreds of key terms introduced on the basis of frequency More than 250 exercises to test what you're learned and measure progress Engaging readings that help you hone your skills in everyday contexts Audio recordings of every reading, via app and online, to build your listening comprehension
