Five StarsBy danyell61This is the must have book if you collect, or plan on collecting, confederate currency.3 of 3 people found the following review helpful. Confederate Paper MoneyBy Charles KennedyI am not a collector so possibly much of the information in this book goes over my head. However I have spent hours browsing through the pages of this book looking at all the interesting images of the money. There is a good introduction also. This book is obviously a very good reference for anybody interested in Confederate currency, but it is also an entertaining browser.
