Mara C. Lucas Murillo, Laila M. Dawson : Con bro!: Beginning Spanish (Spanish Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Con bro!: Beginning Spanish (Spanish Edition):

A lot of the exercises herein are group exercises and meant to be done within a classroom setting with other classmates. Therefore, if you looking for a self-teaching book, this is probably not your best buy.Other than being meant for a classroom setting, this book follows the common methods of introducing the language, so it's pretty well paced in that sense.0 of 1 people found the following review helpful. Five StarsBy cleanmomMy son needed this book for a 3 week college class. He said it was very helpful.0 of 1 people found the following review helpful. Four StarsBy Samgood
