Eduardo González : Concise Bilingual Dictionary of Special Idioms, Phrases and Word Combinations: Diccionario bilingüe y conciso de giros, modismos y frases especiales (Spanish Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Concise Bilingual Dictionary of Special

Idioms, Phrases and Word Combinations: Diccionario bilingüe y conciso de giros, modismos y frases especiales (Spanish Edition):

This dictionary constitutes a valuable little gem in the fields of bilingualism, translation, folklore and communication across cultures: All entries are presented, explained and translated in English and in Spanish; It goes from recording Afro-Cuban traits to depicting deeply rooted Hispanic customs and traditions. A very special feature is that it facilitates the English speaker's comprehension of those aspects that are idiosyncratic to other cultures. This work also contributes to a better understanding of the Cuban Spanish variant, sometimes surprisingly close to that from Spain and other Central, South and Caribbean Spanish-speaking countries. This appealing dictionary will hopefully contribute to a better understanding not only between Spanish and English speakers but also among speakers of the Spanish language.
