Elizabeth A. Martin : Concise Medical Dictionary (Oxford Paperback Reference) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Concise Medical Dictionary (Oxford Paperback Reference):

0 of 0 people found the following review helpful. An excellent medical dictionary for patients with Atrial Fibrillation By P. J. Ryan An excellent medical dictionary, the best I've found for patients with Atrial Fibrillation who are conducting research into the best treatment options. Includes occasional illustrations (for fun check out p. 276 for

the types of fingerprint patterns).Patti RyanA-Fib, Inc.Publisher of 'Beat Your A-Fib: The Essential Guide to Finding Your Cure'0 of 0 people found the following review helpful. Five StarsBy allogreat!!0 of 0 people found the following review helpful. Five StarsBy SOE NYUNTexcellent

This market-leading illustrated dictionary contains 12,500 authoritative entries on all aspects of medical science. Written by a team of medical experts, all entries have been revised and updated for this new edition to reflect the very latest in medical knowledge and practice. Entries are accessible and jargon-free and are complemented by over 140 illustrations and diagrams. This brand new edition includes over 500 new entries and features increased coverage of pharmacology, obstetrics/gynaecology, paediatrics, ethics, nephrology, and psychiatry. Recommended web links are now provided for many entries, which are accessed and kept up to date via the Medical Dictionary companion website, and appendices have been expanded to include tables of paediatric reference ranges, milk formulas, and additional abbreviations for blood testsSelling almost 700,000 copies in previous editions, this is an essential A-Z for students and those working in the medical and allied professions. It is also an invaluable home reference guide for the general reader.

from previous edition: "'No home should be without one' certainly applies to this splendid medical dictionary." -- Journal of the Institute of Health Education"Excellent layout and jargon-free style should commend it to a wide variety of readers." --Nursing Times"An extraordinary bargain." --New Scientist"Owning a medical dictionary, isn't a bad idea; the Oxford Concise Medical Dictionary is enough for home purposes." --The Guardian 28/10/2008About the AuthorElizabeth A. Martin is with Market House Books.
