Bruce Anderson Dr., Annabelle Dolidon : Connect Access Card for En avant before purchasing it in order to gage whether or not it would be worth my time, and all praised Connect Access Card for En avant:

7 of 7 people found the following review helpful. The actual product online is great, but it is WAY overpricedBy Michael HawkThe actual product online is great, but it is WAY overpriced, just as all materials needed to pass college are. McGraw-Hill makes excellent products, but that doesn't overshadow the fact that they and all other college textbook makers are still a racket whose prices should be regulated federally.2 of 2 people found the following review helpful. I'm writing this from the perspective of whether the value ...By CustomerI'm writing this from the perspective of whether the value of the service provided justifies the cost. It most definitely does not. The textbook itself is adequate to understanding the course material. Buy the book used for as cheap as possible, skip the access code if at all possible. Charging almost \$200 for a system that only enhances material covered in the book is ludicrous.2 of 2 people found the following review helpful. Three StarsBy lady marsIt's cheaper on the website

McGraw-Hill Connect is the most powerful and flexible course management system available. Rooted in research on effective student learning practices, the platform integrates adaptive learning tools with dynamic, engaging language practice activities. The result: better student learning of the French language. Your 2 year subscription includes the following:
