Evelyne Amon, Judith Muyskens, Alice C. Omaggio Hadley : Connect Access Card for Vis- -vis before purchasing it in order to gage whether or not it would be worth my time, and all praised Connect Access Card for Vis- -vis:

Connect French is the most powerful and flexible course management system available. Rooted in research on effective student learning practices, the platform integrates adaptive learning tools with dynamic, engaging language practice activities.The result: better student learning of the French language.
