Robert Dolezal : Consumer Advisor before purchasing it in order to gage whether or not it would be worth my time, and all praised Consumer Advisor:

Don't let yourself be victimized by stores or businessmen who act as if they're doing you a favor by taking your money. Don't spend more than you have to for the services you need in daily life. Don't fall prey to schemes or frauds. Don't put up with shoddy products. Don't give up when someone doesn't deliver what was promised.
