it can be an intimidating experience. Everyone tells you to take a man with you to negotiate, I say take this book! It provides you with info on the lemons to avoid, safety records and even gives you a base price to negotiate. The car dealers quake in their boots and grumble under their breath, but you get the best deal for you money when you go prepared!

from cars and cell phones to washing machines--this book presents the most objective product information available to the American Consumer.
