**From Consumer Reports : Consumer Reports Buying Guide 2012** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Consumer Reports Buying Guide 2012:

0 of 0 people found the following review helpful. For Gauging Minimas and MaximasBy Jeffrey MartynI'm on the shameful side of shame based behavior and thus I really hate being wrong about somethings because I'm particularly picky about my facts. I really hate it when I'm swindled because of my own ignorance. Vehicles are major purchases and a major expense, thus they shouldn't be taken lightly. This is very good guide for minimizing your costs when the information contained within is applied properly.0 of 0 people found the following review helpful. Another great comparison aidBy ma westGreat way to compare vehicles before making a purchase, especially older models.0 of 0 people found the following review helpful. I've used Consumer Reports for many years and never purchase ...By WilliamSI've used Consumer Reports for many years and never purchase a car without consulting a buying guide. It isn't foolproof, but helps steer me away from lemons that look tempting but which have inherent mechanical weaknesses.
