Back in the day these came out twice a year they were on every mag display I saw. These days everyone just looks at their phone. Grumpy likes paper still finds great value in written words wrapped up in a binding. This magazine is great for researching the 2017 models if you're looking for a new car. Grumpy Approved.2 of 2 people found the following review helpful. Well organized and easy to useBy barbara A. LesserLoaded with information to help you decide which cars to consider purchasing.
