Five StarsBy Gustavo CamachoVery good all is ok0 of 0 people found the following review helpful. very goodBy JuditNzI bought this book for a friend who was taking conversation classes and he enjoyed the book very much. Told me that the front cover page bended in the first days, but I guess this is expected from the type of material of these books. Overall, the content and structure of the book seemed to help him very much to improve his conversation skills.0 of 0 people found the following review helpful.
