**Jonathon Keats : Control + Alt + Delete: A Dictionary of Cyberslang** before purchasing it in order to gage whether or not it would be worth my time, and all praised Control + Alt + Delete: A Dictionary of Cyberslang:

A fun reference book that will inform and entertain you while decoding the fast-changing language of high-tech culture.

"Not since Dr. Johnson explained the English language to the people ofhis time has there been a lexicon so witty, deep and indispensable. For any citizen of either the analog or digital space who wishes to live in this century instead of the last, this is required reading." --Stanley Bing, author and columnist for Fortune magazine
