Helen Kowtaluk : Cook's Problem Solver, The before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cook's Problem Solver, The:

0 of 0 people found the following review helpful. Five Stars By Customer Great tips 1 of 1 people found the following review helpful. Okay - sort of but not what I expected By J Evans Most of the things are so general and any idiot should know them that I was not impressed with the book. I expected it to give me help on things like - what to do if I have

put too much salt in something (like egg salad). The answer was do not add too much salt...really???? Duh!0 of 0 people found the following review helpful. Five StarsBy EdGood

This basic book addresses more than 500 common cooking problems and is organized to help the chef find solutions quickly and easily.

About the AuthorAuthor Helen Kowtaluk, a home-economics graduate of Case Western Reserve University, has worked as a consumer-service representative for a utility company, as a writer and editor, and in public relations in the field of nutrition.
