MSN, Jane John-Nwankwo RN : CPR Book: CPR Student Manual And Handbook before purchasing it in order to gage whether or not it would be worth my time, and all praised CPR Book: CPR Student Manual And Handbook:

0 of 0 people found the following review helpful. NoBy Jerry G. PersallSeems to be hastily written, never spell checked and overly brief. Not the one you want for self- instruction. Regret buying it.0 of 0 people found the following review helpful. Five StarsBy CustomerI got this book for my husband. He's in school to become a police officer.

The goal of CPR is to save lives. Compressions must be started within 10 seconds of cardiac arrest. This simplified handbook will teach you the basic concepts you need to save a life through Cardio-Pulmonary Resuscitation.
