**David Ohrvall : Crack the Case System: How to Conquer Your Case Interviews** before purchasing it in order to gage whether or not it would be worth my time, and all praised Crack the Case System: How to Conquer Your Case Interviews:

0 of 0 people found the following review helpful. The GO-TO book for Case Interview Prep - read this one FIRST!By B. BennettI'm a UCLA Anderson student going through consulting case interviews, so I of course have all 3 of the important ones but I found David Ohrvall's "Crack the Case System" to be the most bang for my buck -- great advice, really helpful resources (online case practice, well-done handouts printables, etc), and approaches to case interviews

that don't make you a robot. If you are looking to get into management consulting, I suggest getting this book FIRST. (Marc Victor's are good too, but I wish I spent my time reading Ohrvall's first.) 0 of 0 people found the following review helpful. Excellent frameworks and online case examples By Angir Mitra This is my go to book for case prep. Very engaging and nice example. The frameworks are easy to remember and universally applicable. Highly recommended. 0 of 0 people found the following review helpful. Five Stars By Customer Really structured approach, broken down into basics.

You want a job in consulting? This book is a must have! David Ohrvall is indubitably the black-belt of case interview preparation. This book is the preparation bible of any serious candidate. -njm83 (Amazon reviewer) Crack the Case System shows you how to master the core skills you need for conquering the toughest interview of your career: the case interview. Favored by top consulting firms and many Fortune 500 companies, a case interview is a rigorous test of your analytical skills, business savvy and personal presentation. David Ohrvall, former Bain Company management consultant, has trained over 50,000 top MBAs and undergrads at elite business schools around the world in his legendary Crack the Case Workshops. In Crack the Case System, David delivers a complete training program, including over 40 cases and 160 companion videos that take you deeper into key concepts and show you how star candidates approach a variety of case questions. In addition to step-by-step practical instruction on nailing your cases, you'll also discover: Roadmaps for navigating the 13 most common case types, using a common sense approach to business concepts How to show off the 6 essential skills your interviewer is looking for in winning candidates What separates mediocre candidates from exceptional performers who land offers Tips for fine-tuning your approach to different firm styles and formats How to deliver high-impact answers to the 7 most important questions in your fit interviews 4 detailed practice plans to take you from beginner to case ninja at your preferred pace 42 cases available as FREE downloads on MBACASE.com, including case starts, market sizing, short business cases and full cases with slides and handouts Over 160 companion videos FREE on MBACASE.com Hands down the best, most comprehensive case-prep system on the market. RW Using the videos and coaching from Crack the Case System, I earned an offer from a Top 3 firm in one of the most competitive offices in the US (and had final round interviews with the other two). I highly recommend this text to anyone seeking to improve their case skills. Richard H I just received an offer from a top-tier consulting firm, and Crack the Case System was by far the most helpful resource I used for interview preparation. I can honestly say that I would not have received my offer without this book. Kdubs1234 The Crack the Case System book is by far one of the best stand alone study guides published. I highly recommend this book for all MBAs, APDs, or undergrads that need to prepare for interviews. Alvin L.
