Job seekers, students, and teachers are discovering the power of using a digital portfolio for job hunting, career development, teaching, and learning. This step-by-step workbook unveils each facet of creating a PDF portfolio, providing checklists and worksheets that guide the user through design, collection of artifacts, development, and distribution of a career portfolio through e-mail, on CD/DVD, or within a Web site. This workbook is graphical, using many illustrations of portfolios and screenshots that demonstrate how to use the Adobe Acrobat software to create an easy-to-transfer showcase of accomplishments. Examples of both effective and ineffective portfolios are provided.

Using Acrobat solves many of the problems of finding the right software for portfolio creation and distribution.
